MATT TOUSSI

FRONT END DEVELOPER

0450 043 000 | MATT.TOUSSI@GMAIL.COM
GITHUB.COM/MATT2C | WWW.MATTTOUSSI.COM

SUMMARY

My passion for creativity and innovation meant that I always had ideas, but I didn't have the skills to bring them to life. This is why I became a developer! Solving people's problems and making tools to make their life much easier is my vision and learning about new technologies and ideas are my rocket fuel.

SKILLS

HTML5 | CSS 3 | Ruby On Rails |
PostgreSQL | Javascript | jQuery
Underscore.js | Backbone.js
Git | Trello | Agile | Scrum
